Dear Mr. Czetli:

Enclosed is an announcement about the Fourth Annual Pioneer Days, Carbondale, PA, August 23-28, 1982. If the August 1982 edition of ECONOMY A PERSPECTIVE FOR PENNSYLVANIANS has not yet gone to press, perhaps it will be possible to list the Fourth Annual Pioneer Days, Carbondale, PA, in the "Guide to summer festivals in Pennsylvania," under the subheading: Northeastern Region.

Enclosed, in addition, is a five-page descriptive brochure on the Committee to Restore Carbondale City Hall, Inc., which, as you can see from the one-page announcement about the Fourth Annual Pioneer Days, Carbondale, PA, will play a major role in this week-long, non-profit community celebration.

If I can provide you with any additional information, please write to me at address given above, or contact me by telephone at 717-282-5197.

Sincerely,

S. Robert Powell
President
